

Do you have **ALLERGIES?**

You can help us learn more about them.

Join our research!

Runny nose, sneezing and itching eyes? If that sounds like you, chances are you're among the one in five people who suffer from allergies.

Kingston General Hospital's Allergy Research Unit is currently researching what the people of Kingston are allergic to.

If you are between the ages of 18 to 65, live in the Kingston area and have allergy symptoms, we would like to hear from you.
